

SUNSET • • • SUNRISE

SUNSET . . . SUNRISE

Friends,

It is the sunset of our childhood. We have made a lot of memories that we shall never leave behind.

At this moment, the sunrise of our lives is in view. Our new day - our futures - lie before us. Most of us are fearful of what will become of us. But we should not be afraid. Our fear is only natural and good.

To begin our new day we must remember:

"Only you and I
can help the sun to rise each
morning. If we don't it may
drench itself out in sorrow."

Joan Baez

BOARD OF EDUCATION

SCHOOL COMMITTEE - Seated: Aldo Cecchi, David Hayes, Joseph Arcudi.
Standing: Dr. Carl DiGregorio, Patrick Doherty.

Dr. James J. Buckley - Superintendent of Schools

Mr. Larry Zenor - Assistant Superintendent of Schools

ADMINISTRATION

FAREWELL

Does it seem possible that two years have passed already since you entered Stacy School for the first time? For those who worked diligently, it's hard to believe that time can pass so quickly. On the other hand, for those who wasted two years, made it a chore to come to school, dreaded every minute of every day, how slowly time passed.

Your next four years of education, wherever you go, will be the most important years of your life. How many times have you heard an adult say, "I wish I had to do it over again." Before you know it, graduation day will be before you. There is no looking back, you only have one chance at a high school education.

When you enter high school, you will be guided and counseled by professional people - administrators, guidance personnel, and faculty members. We implore you to heed their advice; they are the experts, not your classmates. Remember, your friends do not have the expertise needed to guide you to success.

Those of you who continue your education in the Milford School System are very fortunate, since at the new Milford High School. You will find it to be the best high school facility in the East. It is equipped to offer you everything to prepare you for life beyond high school. We hope you will take full advantage of this once in a life-time opportunity.

Remember, you alone will be responsible for your success or failure. You will have no one to thank or blame in 1977. Your future lies within yourself.

The administrators, guidance staff, faculty, secretarial and custodial staff, share with us, best wishes to you for a successful four years of high school.

Sincerely,

Ronald P. Longabardi
Michael J. Brita

LIBRARY

Miss Noorjanian, our librarian, a dedicated and sincere woman, keeps our library a pleasant place to work - everything organized and always in the proper place. Our library also serves as the multi-media center, where films and tapes are stored. Thank you, Miss Noorjanian, for making our library experiences memorable ones.

Mr. Arthur DiVitto
Supervisor of Custodial Services

Mrs. Gert Healey
School Nurse

Mrs. Mary Arcudi
School Nurse

Many thanks to Mr. Berrini and his cafeteria staff for keeping our stomachs happy!!!

ENGLISH

Our English Department uses many innovative methods, such as language labs, school bulletins, and creative writing to teach us that English, like all other languages, is essential to our everyday life. Whatever we do and wherever we go, we need some kind of language to communicate with others.

Without our English language, we couldn't learn about other people's feelings and their ideas.

Our teachers have made our classes interesting as well as educational. May our future courses in English and Literature be as inspired. Thank you.

SOCIAL STUDIES

Mr. Peter Pessotti

Mrs. Louise Arnold
Value Development Facilitator

The Social Studies Department is trying to help the student understand the present and prepare for the future by acquainting the student with past events. Teachers encourage the students to have class discussions on different topics so they will seek out information concerning these discussions.

Mrs. Diane Julian
Value Development Facilitator,
Project Career

Mr. Richard McGrath
Value Development Facilitator

Students will study man's achievements and his failures to get a good approach to current world problems. By understanding these current problems, the students will gain knowledge that will help them prepare for their future involvements as a citizen in their community.

It has been successful, and we appreciate it.

Mr. A. Angelo Calagione
Gov't. Club, Mock Town
Meeting, Basketball Coach

Mrs. Marie Creedon

Mr. Robert Samiagio

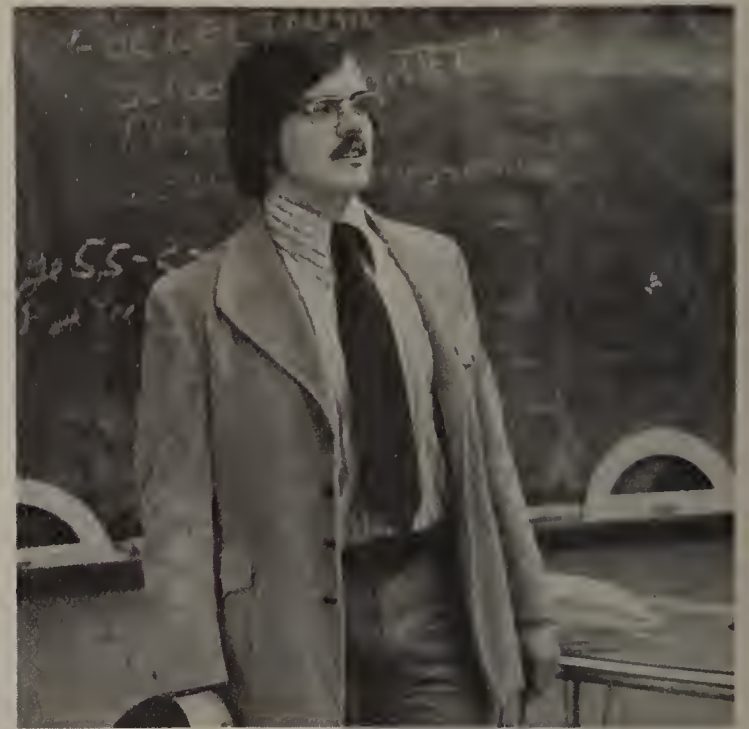

MATHEMATICS

The Math Department introduces basic concepts of Modern Math to prepare the students for varying degrees of higher mathematics in their future education.

The Department also utilizes a Time-Share computer terminal to introduce basic computer language and games of mental skill to generate logical thinking. Many innovative ideas involving Geometry, Algebra and Set Theory are used to keep us interested - Thanks for the "pleasant" memories.

Sorry we missed your photo, Mr. Philip DePardo, while you were away training with the National Guard.

Mrs. Roseanne Shuber

Mr. Arthur Caswell
Science Club Advisor,
Value Dev. Facilitator

SCIENCE

Mrs. Eleanor Johnson

The goal of a science teacher is to see that the students explore different areas in science and not just avoid them.

Ecology is one branch of science that the younger people curiously investigate. Because of their curiousness, everybody becomes more concerned with their environment.

The teachers have shown the students the relationships between humans, animals, and other living organisms. They have also shown films, conducted experiments, and held field trips in connection with their work, making it more interesting to us. It's been fun!!!

Mr. Anthony Chinappi

Mrs. Carol Skerry

Mr. Thomas Creasia
Science Club Advisor

Mr. William Bouchard
Yearbook

FRENCH

The French Department has made our studies enjoyable by showing us the fascinating culture behind the language. This has been achieved by studying not only grammar, but also the customs and famous artists of France. The benefits of being bi-lingual were first shown to us in writing our French Newspaper and then while visiting Quebec during our April vacation. Many, Many Thanks.

Miss Ann Marie Longo
French Club Advisor, French Newspaper, Yearbook

MUSIC

Music this year has given the students a view of how music sets the theme. Mr. Iacovelli and Mr. Clinkman have given us a better understanding of the uses of jazz, blues, rock, and classical music by showing us various film strips which go along with these categories. They have taught us how music originated in these different classifications, and the people who have made them famous.

Mr. Donald Iacovelli
Stacy Band, Drill Team and Majorettes

Mr. David Clinkman
Stacy Chorus and Choir

Mr. Edward Iacovelli
Project Career

The Reading Department, under the direction of Mr. Iacovelli, uses reading laboratories, oral reports, and a multitude of varying literature text books along with our standard reading books to enhance the study of reading. Comprehension is the key word.

We comprehend!!!

Mrs. Irene Persiani

HOME ECONOMICS

Home Economics at Stacy School, as set up by Mrs. Evelyn Touhey, Supervisor of Home Economics in Milford, teaches our young girls not only culinary arts, but fashion design, nutrition, grooming, and family living and child care.

This instruction is not done merely from textbooks. All areas of study are discussed and done in actual practice by separate unit. Such activities as fashion shows and French buffets have been held in order to show the actual benefits of being adept in this field.

It has been a pleasant change from our more academic subjects.

Mrs. Dorothy Antonellis

Mrs. Patricia Carroll
Value Dev. Facilitator

SPECIAL SUBJECTS

Fr. Anthony DeCesare
Dir. of Value Development
and Drug Ed

Mrs. Robin Schecter
Special Ed Tudor

Mrs. Patricia Locket
Special Reading

PHYSICAL EDUCATION

This year in physical education, the girls have been actively involved in field hockey, soccer, folk dance, and tumbling. The second half of the year has proved to be even more exciting - the girls having been working with the balance beam, parallel bars, and the mini-tramp.

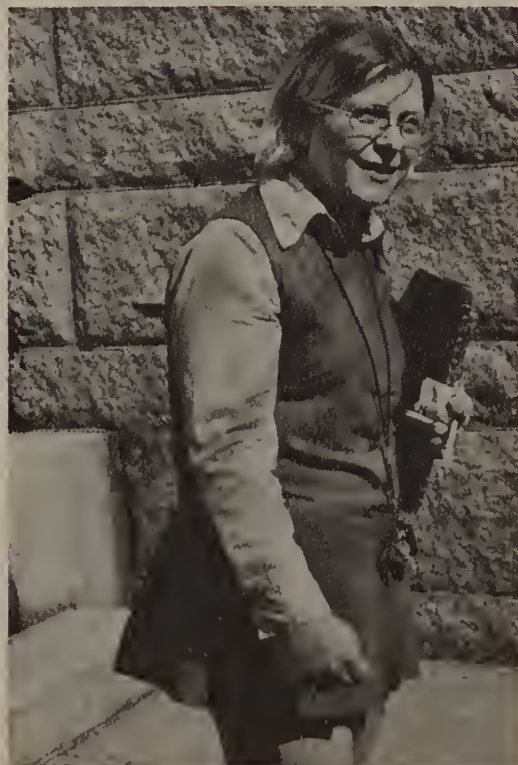

Boys physical education has not been confined to skill promotion and body development, but extends through the intellectual, emotional, and social objectives as well as the physical. Our program has the potential for mental stimulation and satisfaction, emotional adjustment, democratic ideals, and practices the zest for living.

N'est-ce pas

Hey man!

Cheer, cheer - the gang's all here!

Trojan fans, now clap your hands.

Marina LaPorta
"Today is the first day
of the rest of your life"

—I suspect people of plotting to make me happy—

June, 1973

Dear Class of 1977,

There are still a lot of things we have left to say to you and tell you about - mostly a list of do's and don'ts. But we have no more time left with you. And so we pass you on to others who hopefully will complete what we have left unsaid. We feel that the title of your Yearbook "Sunset . . . Sunrise" says it all. Please keep it's message in mind. Our hope is that it will be a bright, shiny day for all of you.

We have narrowed our parting lines to two thoughts we would like to leave you with. The first in the words of Miss Helen Keller, "Life is either a daring venture or nothing at all." Make of your lives a daring and exciting adventure.

The second is a quote by Robert Frost which really brings together everything we have ever tried to say to you. As you set out on your journey through life, keep it in mind.

"Two roads
diverged
into a wood,
and I —
I took the one
less traveled by
and it has made
all the difference."

Au Revoir,

The Faculty of The
George E. Stacy School

THE CLASS WILL

Be it well remembered that we, the Class of One Thousand Nine Hundred and Seventy-Three, of The George E. Stacy Junior High School, each, having a sound mind and body and conscious of justice, do in this month of June in the year of Our Lord, One Thousand Nine Hundred Seventy-Three hereby devise and bequeath this to be our Last Will and Testament.

To Mr. Iacovelli and Mr. Clinkman, we leave our musical brothers and sisters.

To Mr. Sullivan, we leave our Mary P. Dolciani.

To Mr. McGrath, we leave a bag of new college bowl clickers, so that there will be fewer arguments over who clicked first.

To the basketball court, we leave next year's eighth graders, to stomp you, to trample you, and climb up your poles.

To the seventh graders, we leave our super-duper bubble gum so they can become big and strong like us.

To Miss Longo, we leave our En Vacances, those cute little books that we love so much.

To the future Drama Club members, we leave the guiding hands of Mrs. Burns and Miss Scagnelli.

To Mr. Anderson, we leave the problems of our future.

To Mr. Longobardi, we leave the old high school to face new problems, which we know will be many.

To Mr. Brita, we leave a case of aspirin for all the headaches he had trying to keep us in line.

To Mrs. Curran and Mrs. Ferreira, our thanks for the many odd jobs they did for us.

Last, but not least, to "Blackie" (Mr. DiVitto) our thanks for making our two years at Stacy such fun. He never let us down. A salute to a great guy.

Your move Ernie.

I beg your pardon.

– Sometimes I sits
and thinks and sometimes
I just sits –

Billy - as usual.

Don't you dare!!!

MR. STACY

As taken from the 49th Annual Report of the Superintendent of Schools:

"The most noteworthy event in the life of this department and, indeed, in the life of the town, during the year 1926 was the passing of George Edward Stacy, for more than 50 years a member of the school committee and its chairman for a quarter century. Few men have so interwoven their lives and ideals with those of a large community. Few men have so won the general esteem of their fellow citizens. Milford's finest school stands his lasting memorial, in the way of material things, one of only two instances, within the writer's ken, of a great school named for a public man before his passing. For years, no crusade in Milford's forum, for the means to more or better schools was complete without Mr. Stacy. For decades, no graduation was entirely successful without Mr. Stacy's bracing presence, stirring word, sage advice or graceful verse. A memorial service in the Milford High School was unusual without him. With his fellows on the school board, he was, to the last, as youthful as the youngest, and at meetings of the Teachers' Association, he was the life of the party. True, not all that is modern in education appealed to Mr. Stacy; true, also, that not all that is modern in education ought to, but the great expansion in the ideals of education came to him long past the time of life when a man's ideas are settled. His thinking, however, was clear along the lines in which he believed, and with him faithfulness to a public trust, particularly to a financial trust, was a religion. Convinced, though of the necessity of a measure, he gave it his loyal support.

Finally, Mr. Stacy may be called in the true sense of the term, Milford's great democrat. In the language of Britain's poet of empire, he could 'walk with kings nor lose the common touch,' and in the language of Scotland's poet, to him, a man was 'a man for a 'that.' Peace came to him on an April morning. As one man, Milford did him honor, and at the close of the day, by the little lakeside, in the perfume of the lilies, they laid him to rest."

In Memoriam

GEORGE EDWARD STACY

1834 - 1926

"I am the master of my fate -
The Captain of my soul!"

THE GEORGE E. STACY SCHOOL

"For some years an unduly large amount of administrative time and effort have been necessarily expended in grappling with the problem of over-crowding in the grades, and, of late, in the high school. Doing the best we could, assignments of pupils to rooms and buildings had to be left in too many cases until September. As early as 1912 it became apparent that more school room, centrally located, would best solve several difficulties: (1) overcrowding; (2) necessitous maladjustments and hand-to-mouth methods of assignments of pupils; (3) lack of room for manual training and household arts. In 1913, \$75,000 was appropriated for a new school and a later appropriation added \$8,000 to this sum.

The site selected faces Spruce Street, the Town Park, and the present high school lot; and comprises properties formerly owned by Michael McKeague, Mrs. E.F. Bullard, Mrs. Harriette Barber and the Holbrook estate. This site was selected on account of its central location, and proximity to the park for play-ground purposes. The building was planned with the view of housing all the seventh, eighth and (possibly) ninth grades and being able to develop a modern intermediate school.

The style of architecture of the new George E. Stacy school is a modern adaptation of Roman classical architecture and the simple lines of the design give a massive, dignified and refined appearance to the building that is in harmony with its surroundings and is a very appropriate style for school buildings.

The exterior is constructed of our famous local building product, Milford granite. The granite is rock face ashlar with hammered surfaces for mouldings and reveals. Milford granite seems to be adapted to this architectural style and assists in harmonizing the various surrounding structures. In giving a description of the exterior of the building it would not be proper to omit mentioning the name carved in the parapet. In fact the inscription, "George E. Stacy School, MCMXVI," is worth studying as a good example of clean-cut free style Roman classical lettering.

The roof is the so-called flat roof construction and the rain and snow water is conducted down the interior of the building in large iron pipes. This will practically eliminate the danger from snow slides and falling icicles . . .

A clock system has been installed and will undoubtedly prove to be of great value and convenience . . .

The office of the committee and superintendent of schools will be on the first floor and the present office in the high school building will be devoted to school purposes.

The school committee, as a whole, and the various special sub-committees on construction and furnishing, have devoted much time and thought to the new school and, in the judgment of the writer, the committee, architects and contractors are to be congratulated on the successful completion of a long and arduous task and Milford should be proud of the result, a fifteen-room school, largely fireproof, of Milford granite, finished in first-class materials . . .

The plans are by Messrs. Walter L. Collins and Wendell T. Phillips, associate architects; Dillon Bros. are the contractors; the Webb Pink Granite Co. furnished the stone; heating and plumbing contractor, J.S. Ranahan . . ."

As taken from the 1916 Annual Town of Milford Report.

You think so, huh?

C'mon bell ring!

Let me make this crystal clear.

Encore!

My tension is too tight!

It's a bird, it's a plane, no it's Harriet!

Do my eyes deceive me?

— Our answer is the world's hope;
it is to rely on youth
—not a time of life but a state . . .

**ACTIVITIES:
DIDS AND . . .
DIDN'TS**

SUNSET . . .

Stacy School's first Yearbook has certainly been a rewarding experience for everyone. Not only has the student staff, along with the Yearbook representatives, been busy at work, but a charisma has taken over the school, everyone wanting to help in some way.

Our first job was to publish an activity calendar, followed by a very successful candy sale and ending with the soliciting of ads - this all being part of our fund-raising program. Next we undertook the task of taking our eighth grade portraits; we give our many thanks to the Milford Camera Club and Mr. Clarence Morin for their untiring efforts. Then came the timely task of drafting our final master layout. Double sessions and overcrowding presented problems in setting up our Yearbook office. But, with the cooperation of Mr. Longobardi and Mr. DiVitto we were able to set up an adequate office in the supply room and work was carried on for many hours after class until our book was complete.

This book couldn't have been a success with our work alone. We would like to deeply thank Mr. Sullivan, our advisor, along with Miss Longo, Miss Scagnelli, Miss O'Brien, Mr. Bouchard and Miss Fratta who assisted him.

monte, Donna Bonvino, Bill Locke, Sherry Williams, John Peters, Lynne Goucher, Catherine
Clancy, Paul Arsenault, John Rizoli, Bobby Gilmore.

STUDENT

Student Elections for Student Council were held on Friday, September 29th at Stacy School. The students nominated from each Homeroom, officers who would campaign for one week and if chosen, hold a position in the Student Council.

During campaign week, cleverly designed posters were hung in the halls and supporting buttons and cards were distributed. Sixth graders who are now attending Stacy were included and ran for Homeroom Representatives and Members at Large. With the innovation of a Yearbook, teachers from all three grades selected from each Homeroom a Yearbook Representative.

The voting for Officers and Representatives was close but the final result was a good one. The following is a list of Homeroom Representatives and Officers that were elected to the Student Council:

President	- Gregg Bertonazzi
Vice President	- Jackie Sannicandro
Secretary	- Carla Anderson
Treasurer	- John Touhey
Assistant Treasurer	- Louis Sannicandro

Members at Large: Grade 6 - Susan Antonellis, Brian Belmonte
Grade 7 - Beth Stratton, Mark DePaolo
Grade 8 - Lisa Bowling, John Pizzillo

Many thanks to our Advisor, Edward Iacovelli.

COUNCIL

Homeroom Representatives: Joe Perna, Gary Niro, Jody Grillo, Diane Morelli, Robin Morrill, Billy Vitalini, Dave Pantano, Debbie Nargi, Mary DelVecchio, Patty Perna, Irving Jolie, Billy Duffy, John Frascotti, Cheryl Cook.
(First Session)

(Second Session) Mario DaFonte, Brian Bowling, Nancy McCarthy, Ann Veneziano, Kevin Williams, Steven Daniels, Gail Smith, Karen Pagnini, Marie Balmelli, Shelley McGee, Anthony Protano, Peter Ferrelli, Charles Compagnone, Lisa Tougas.

BAND

First Session Band Members

This year's Stacy School Band has a new look and a new leader. The new leader is Mr. Donald Iacovelli, who took over after Mr. Yoder resigned last year. Mr. Iacovelli has many new faces in the band along with the eighth grade veterans to work with. The band already made a big appearance in the Veterans Day Parade. Together with their majorettes and drill team, they made a wonderful showing and were a great credit to our school and their instructors.

The Administration, faculty, and entire student body join together in congratulating Mr. Donald Iacovelli for a fabulous job well done. You have given us not only an excellent marching band, but an excellent orchestra proving this at both your winter and spring concerts.

Second Session Band Members
with Mr. Iacovelli

CHORUS

The chorus and choir, under the direction of Mr. David Clinkman, proved quite successful this year. It cast a totally different outlook on the minds of some people. Sometimes chorus is considered to be a time of relaxation and pleasure. But, it was clear to all members that when rehearsal rolled around on Mondays and Wednesdays, it was a time for hard work and concentration. It was quite evident that all participants put forth their best effort and should be congratulated for their fine work. We also thank Mr. Clinkman for his splendid presentation at our winter and spring concerts.

CHAMBER CHOIR

*— It's really a wonder that I
haven't dropped all my ideals,
because they seem so absurd
and impossible to carry out.
Yet I keep them in spite
of everything I still believe
that people are really good at heart.*

Ann Frank

MAJORETTES

The majorettes, under the supervision of Mr. Iacovelli, performed in the Milford parades. Also marching with the majorettes was the drill team.

The majorettes are drum majorette Diana Frabotta; co-captains, Lisa Bowling and Donna Mancini; the majorettes, Gina Plante, Carleen Homand, Robin Stoico, Debbie Nargi, Carla Anderson, Nancy Bonvino, Paula Tredeau, Debbie Rao and Jyll Nesta,

DRILL TEAM

The Stacy Drill Team, along with the Stacy Band, put on excellent presentations in the parades in which they marched. Headed by Mr. Donald Iacovelli, our band leader, made practicing with the band an integral part of our program. Our audiences of many Milfordians were proud to know that we represented their town.

An Open Letter:

Practicing long hours, moving music stands, stacking desks, and worrying about finding a chair to sit in - it takes work to make a good chorus and a good band. And when you discover that your music lessons have enabled you to do something you thought you couldn't do, you realize that, yes, you are getting better. You become more seriously competent in yourself.

Our musical activities this year have included two public concerts and an out of town performance, trips, and the auditions festival. The Chamber Choir was formed. Students performed solo numbers in concert and at the Variety Show. We also had other recreational activities, (including singing a certain song on bus rides!).

But what will next year bring? As the eighth graders develop their skills in the high school, and next year's junior high organization builds on this year's experiences, a challenge will be fulfilled.

Sincere thanks for your overwhelming cooperation.

Dave Clinkman
For the Music Department

GYMNASTIC SHOW

Miss Guidali and her fine crew of performers put on a gymnastic show for the first time at Stacy this year. Various stunts on the balance beam, advanced tumbling and folk dances from foreign countries were exhibited. Many of the works performed were skills first executed in daily physical education classes. The show was truly enjoyed by everyone.

FRENCH CLUB: QUEBEC BOUND ! !

Major events in the French Club this year were Le Tapis Rouge à Quebec and le Kiosque. Let's tell you a little about these activities:

Seventy of our eighth grade students along with six teacher chaperones visited Quebec during the April vacation. The program was arranged by the French Department and the Project Career staff headed by Tom Davoren. The trip gave the students the opportunity to hear French spoken by Frenchmen in a truly French environment.

The students stayed four nights and five days at the Château Frontenac Universel. Among the many planned and optional activities were the crossing of the St. Lawrence River by ferry, a visit to Laval University, Montmorency Falls, Ste. Anne de Beauprés, Parliament Buildings, and the Museum of Art. The highlights of the trip were a gourmet dinner at the Chez Guido and entertainment by French-Canadian folk singing groups.

Teacher chaperones were Miss Longo, Miss Cross, Miss Guidali, Miss Scagnelli, Miss Iacovelli and Mr. Sullivan.

Le Kiosque Staff of Miss Longo's French Club published a bi-lingual newspaper this year. The students wrote different articles in French, about our school and town, and our American customs. Written in English were stories covering French culture and customs. Some of the many articles in the newspaper were: "Les "Double Sessions", à Stacy School Cette Année", "Une Renaissance de Van Gogh", "French Charm", and "Pierre Cardin". Also in the newspaper were cartoons, crossword puzzles, contests, sports sections, and a column resembling "Dear Abby" called "Chère Fleur Bleue".

DRAMA CLUB

The first play the Drama Club presented was "Christmas on Erie Street" on December 22, 1972. Members of the cast were: Elaine Baci, Christina Findeisen, David Pantano, Jay LaPierre, Charles Ramelli, Sharon Goldberg, Ellen Milani, Ralph Ozella, Susan O'Meara, Debra Nargi, Craig Alexander, and Mark DePaolo. The play was directed by Mrs. Burns and Miss Scagnelli, English teachers at Stacy School. It was enjoyed by parents, teachers, friends and relatives, and was a great success.

At the time of this writing, the play "Tell it to Ethel" is in production. Again, we are confident that the presentation will be a success due to the efforts of Mrs. Burns, Miss Scagnelli and our dramatic actors.

CHESS CLUB

One of the many new programs here at Stacy School this year was the "Chess Club". The members of the club met on Fridays and paid dues so the directors, Mrs. Campbell and Mr. Sullivan, could buy chess sets. Mrs. Campbell and Mr. Sullivan have set up matches consisting of the best of two out of three games, so the members will know who they will play each week, and one will eventually become champion after the play-offs.

SCIENCE CLUB

For the first time, Stacy this year has organized a Science Club that is under the direction of Mr. Caswell and Mr. Creasia. Field trips were planned and carried out. Because of the many hindrances, accomplishments of all the planned activities was difficult. The advisors are thanked for their cooperation.

COMPUTER CLUB

A very new club that has been started by Mr. Sullivan this year at Stacy is the Computer Club. Our teletype is connected with the Time Share Corporation in Hanover, N.H. at the computer center. We are fortunate to be on a on-line-real-time system with the center. The members of the club learn the Basic Language of Computer Programming. Available to the members of the club from the TSC office are numerous hardwares and softwares. Many different programming techniques are used to develop programs that can draw Snoopy, play golf in California, play a basketball game against Dartmouth College, or be an opponent in the mind bending game of Quebec. (Three dimensional Tic-Tac-Toe)

CHRISTMAS SHOW

The Christmas Show this year consisted of a presentation of "Christmas on Erie Street" put on by our Drama Club, a concert put on by our Stacy Orchestra, and a medley of Christmas carols sung by our choir. Our talented Stacy students really outdid themselves.

We give our many thanks to Mrs. Burns, Miss Scagnelli, Mr. Iacovelli, and Mr. Clinkman for the many hours they devoted to rehearsing these performances. Your work showed for we all loved it.

STUDENT GOVERNMENT SURVEY COMMITTEE

For the first time, Stacy has been invited to enter a government survey contest. The WCOP radio station sponsors the contest named "I Love My Country." Mr. Calagione, the advisor, organized a group of students who volunteered to participate in the survey. Under "Parliamentary Procedure", the students elected a Chairwoman, Elaine Baci, a co-chairman, Gregg Bertonazzi, and a Secretary, Linda Tacconi.

The students had only a month to finish the project of finding the five worst problems of the town and finding a solution to them. To find these problems and solutions, the committee sent out letters to many town officials, and put a letter in the newspaper so interested citizens could view their ideas if they wanted to.

We also thank Mr. Caligione for our memorable trip to New York - visiting various famous spots including the Empire State Building and the fascinating United Nations Complex - Mr. Cal - Thanks again!

CHUCKY'S RAIDERS

Chucky's Raiders, a vigilante group, under the expertise direction of A. Alfred Caligione, practiced diligently for many hours outside of school.

They performed for the annual pre-Thanksgiving football game against St. Mary's Central Catholic High School. This was the first year for the Raiders. Showing great pride in performing extremely well with the members of the band, the Raiders were truly an integral part of the half-time show.

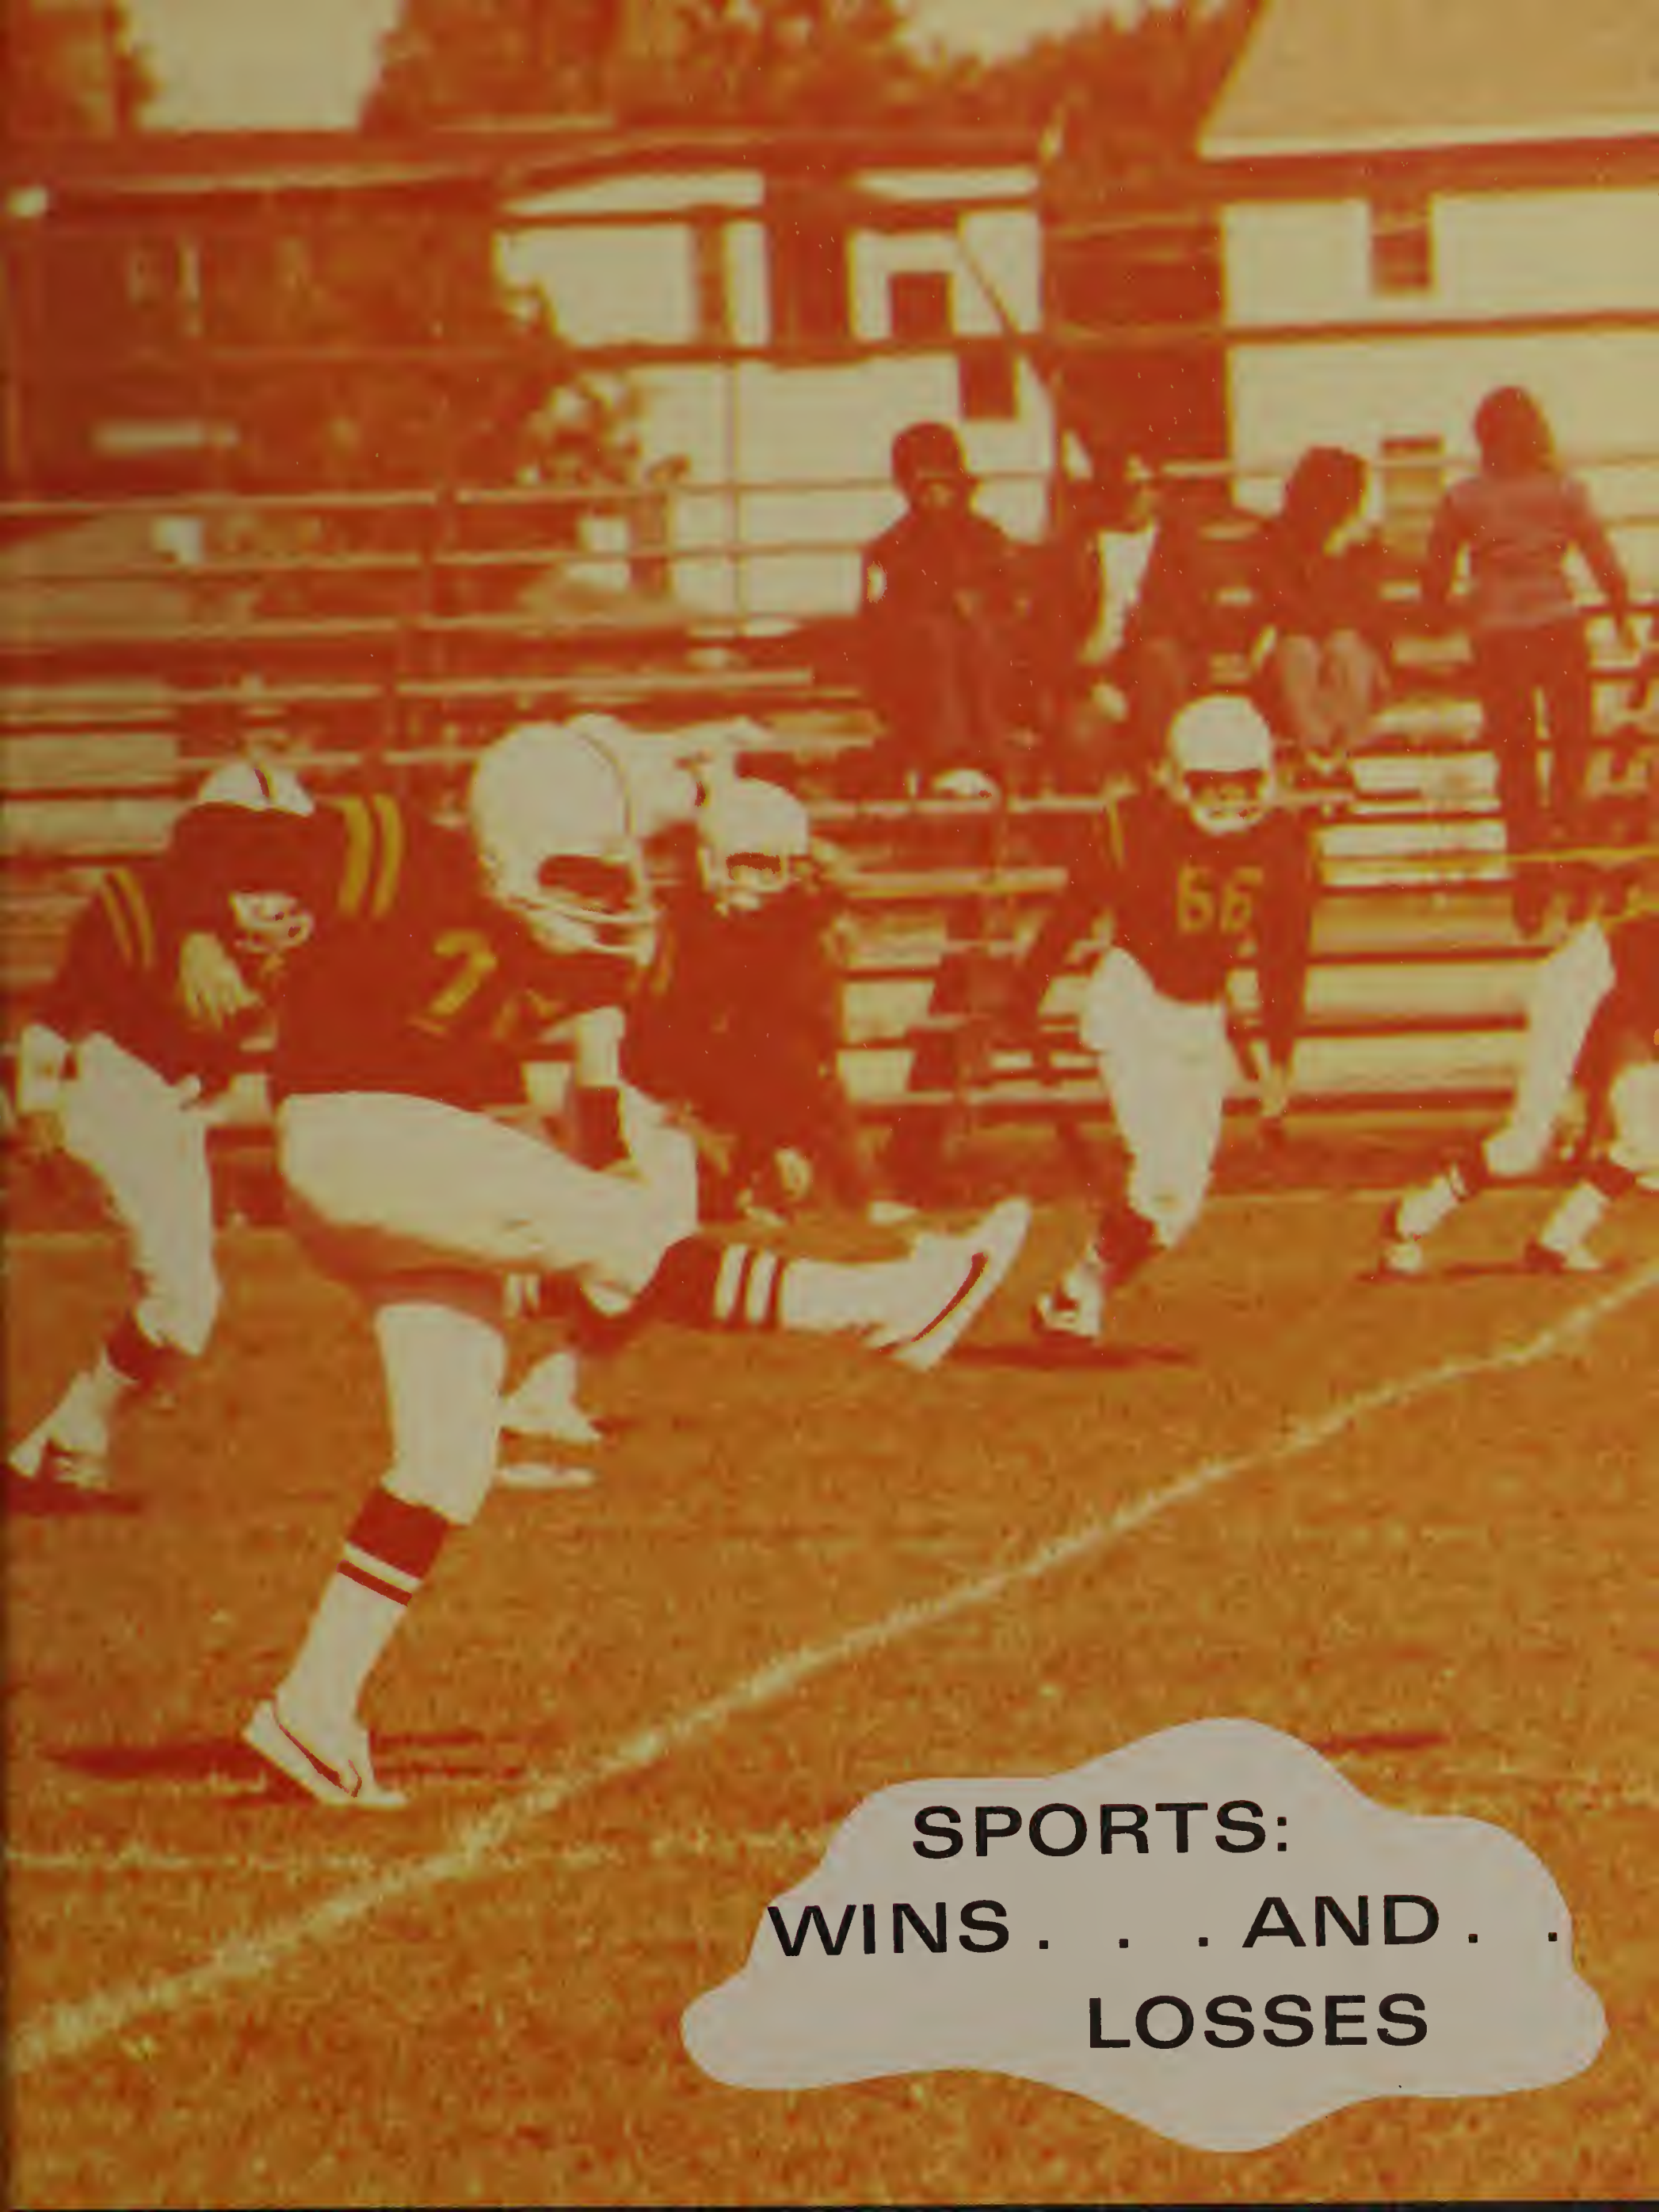

Nearly 1,000 fans watching, the Milford J.V.'s win at Fino Field 36-0.

The girls making up the Raiders were:

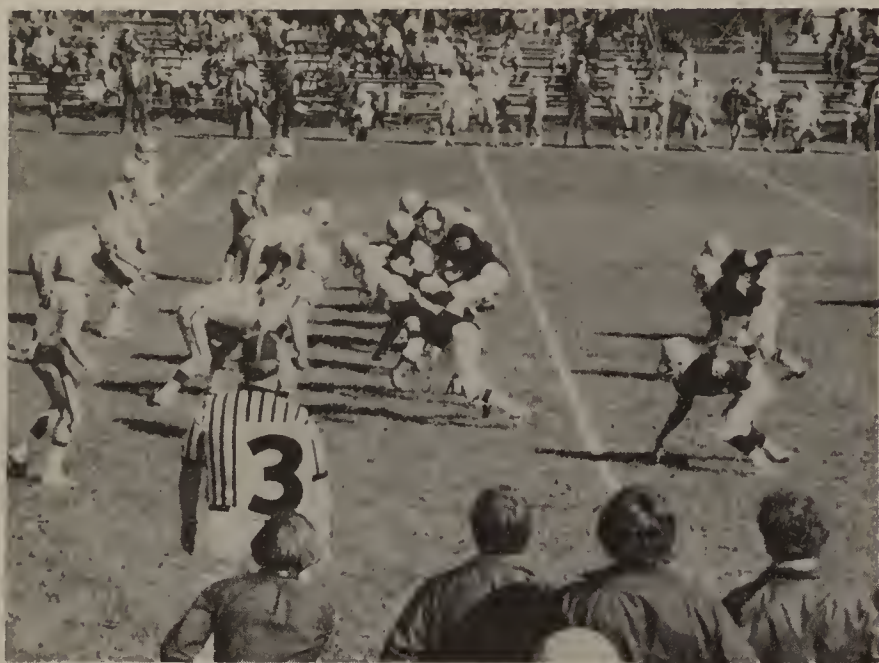

Lisa Tugas
Brenda Merchant
Mary Barth
Denise Delude
Debbie Belmonte
Sheila Todd
Karen Gouleno
Karen Leonardi
Holly Diomedes

These girls designed their own costumes.

**SPORTS:
WINS . . . AND . . .
LOSSES**

THE TROJANS: PONY LEAGUE FOOTBALL

POP WARNER FOOTBALL

The Milford Trojans were very successful during the regular season, their final record was 9 wins, 0 losses. The Trojans were the South Shore Champions. Defeating all opposition, they became the Eastern Massachusetts Champions. Although they were the champs of the league during the regular season, they were edged out by Hingham in the State Championship game.

Mark Niro, after having an incredible season with 1,540 yards and 22 touchdowns rushing, was nominated to the National Pop Warner All-Stars.

The Captains were: M. Niro, R. Lawton, and R. Mulvey. The starting players, both offensive and defensive, are listed below:

The Starting Backfield:

Q.B. - T. Graziano
R.H.B. - M. Niro
L.H.B. - B. Duffy
E.B. - P. Innis

The Starting Defense Line:

D.E. - R. Lawton
D.E. - S. Castagnoli
D.T. - R. Mulvey
D.T. - R. Ozella
M.L.B. - B. Abbaettalli
L.B. - C. Piscia
L.B. - P. Innis
L.B. - T. Bentley

The Starting Offensive Line:

L.E. - S. Castagnoli
L.T. - R. Ozella
L.G. - R. Mulvey
C. - R. Gala
R.G. - M. Parretti
R.T. - R. Lawton
R.E. - M. Correira

Safety:

M. Niro
T. Graziano
M. Correira

CHEERLEADERS

POP WARNER TROJAN CHEERLEADERS

The Pop Warner Trojan Cheerleaders were selected by Mrs. Ruth Ann Roy, the Trojan cheerleading advisor, for their skillful cheerleading abilities. Assisting Mrs. Roy was Mrs. Kathy Salvia. Both of these women made it possible for the cheerleaders to achieve success. Mrs. Jenny Salvia also contributed much time and effort in making the cheerleading uniforms. The selected cheerleaders were as follows:

Co-captains: Lynne Shane and Diane Morelli

Cheerleaders:

Lisa Bowling
Robin Morrill
Lucille Belisle

Suzanne Salvia
Donna Mancini
Diane Fino

Mascot: Kim Salvia

Our cheerleaders
rallying to decide
on their next cheer.

HOCKEY

— Youth, like
rockets, knows
no bounds when
all conditions
are GO.

O.P.B. Salada

With the newly built Son's Memorial Arena in town, Stacy School had its first hockey program. Under the direction of Mr. Anderson, five teams were formed that played on Mondays and Thursdays. The teams were the Sabres, the Bruins, the Canadians, the Blackhawks, and the Rangers. After about ten games were played, the play-offs were held with the Sabres coming our champions.

INTRAMURAL BASKETBALL

Boy's Basketball

New to Stacy this year was Intramural basketball. The boys, who are under Mr. Cal and Mr. Brann, meet every Saturday from 9:00 a.m. - 2:00 p.m. at Lynch Auditorium. The two eighth grade teams are below with their captains:

Bald Eagles: Tom Morgan
Jay LaPierre

Globes: Ricky Gala

The girls may outnumber us, but we have just as much fun!

Girl's Basketball

Stacy finally has a basketball league for girls. They meet every Thursday from 7:00-9:30 p.m. at the Armory. Mr. Gene Razza started the whole thing. He appointed Miss Guidali to make sure everything turned out alright. The girls really like this league and hope that it will be here next year for other girls to play in.
